

Dessert Bars

Why limit your guests to just one dessert? Dessert Bars are a fun way for guests to enjoy a little taste of multiple desserts and include a variety of smaller, hand held or bite size treats. I want to help make your event spectacular and I'd love to work together to customize the perfect dessert bar for you!

Dessert options: Cupcakes (regular and mini), cookies, bar/brownies, whoopie pies, mini tarts, mini meringues, chocolate dipped rice krispies, homemade marshmallows and more!
